Covenant Palliative Care  
Covenant Alzheimer's Services

Ernie,

January 30, 2015

**I have great news to share with you!**

Due to the generosity of your organization's gift in 2014, you helped more than 150 children who lost loved ones cope with loss through home & school visits, Camp Monarch, and Butterfly Bags. Additionally, you helped many uninsured or under-insured patients, totaling \$1.7 million, who could not afford Covenant's care. If you chose to support Covenant Alzheimer's directly, 100% of your gift remained in our local area and enabled us to provide support and education groups, respite care, resource library, caregiver handbook, as well as Project Lifesaver.

**You have eased the burden for these patients, families and loved ones.**

Your contributions have helped us to improve the quality of life for hundreds of patients as well as their loved ones struggling in a time of severe emotional stress. I hope you will feel a sense of pride, because your recent gift has helped to make all of this possible. Enclosed you will find a yearly calendar that we hope you can use and it will remind you of the quality time you are helping provide for our patients and their loved ones.

2015 is a time for new beginnings, and I invite you to learn more about our evolving organization by visiting [choosecovenant.org](http://choosecovenant.org). There, you can learn more about **Covenant Care**. We are a family of services designed to care for patients and families at many key stages of life – from prenatal to the frail and elderly population. Our family consists of **palliative** services, programs for families dealing with **Alzheimer's** or other related diseases, **hospice** care, and services specialized to care for **kids** and families.

Please feel free to touch base with me if you have any questions. I look forward to working with you again this year. **Thank you for your continue support.**

Gratefully,

  
Angie Schlosser  
Development & Communications Manager, Covenant Care
